

Living Board

1 Living Board, side view
2 Living Board, front view

3 Living Board, double-sided

Flexible free standing system for every environment

Our Living Boards allow you to place a touch of green wherever desired. As a botanical room divider, it is ideal for flexible, vertical greening. With a high quality side panel, our board system will stand out in any environment.

- Free-standing module, can be used as a room divider
- One or both sides can be planted
- Quality frame design ensures high stability
- Quality side panel in pre-galvanised, powder-coated sheet metal
- Available in RAL 9006 (white aluminium)
- More RAL colours available upon request

green up
your life!
